

***Don't forget to check out all that  
Choice Carbide has to offer.***

Specials are also available upon request. Simply fill out the form in the back of this catalog and fax it over to our quote department, and we will respond within 24 hours.

Besides manufacturing solid carbide products, we also re-sharpen, or even rework your current tools. Even though we only manufacture Solid Carbide, we will re-sharpen your High Speed Steel tools. Call us, or E-mail us to request a re-sharpening catalog.

**Contact us to request  
technical information, or for  
literature about our current  
products.**
